NEW STATE RIGHT PAPER,

TO THE PUBLIC. THE publication of the Washington Re-FORMER being suspended, and the pub-sher Gen. Duff Green, having empressed his purpose to retire altogether from the arena, we have determined to establish a new political journal at the seat of the General Government, to vindicate and sos am the principles of the Re-publican party of 1798, and to defend the rights and interests of the South. To this end we have engaged the services of RICHARD K. CRALLE, Esquire, rate editor of the Actornor, and shall in the course of a week or two, issue a me and to be called the WASHINGTON CHRON-

Duff Green, by which the subscription list of that paper has been transferred to us, and we have bound ourselves to furnish the CHRONICLE to his subscribers at the same price paid for the Reformer. This arrangement, we hope, will give satisfaction to all, as the new paper will be one of the same size, and edi-te! by the same gentleman.

This annunctation is made at this time, in order that the subscribers to the Reformer, and the public generally, may know that the State Rights or Republican cause will not be surrendered at the scat of the Federal Government. Many let-ters have been received and inquiries made in reference to the subject, to which this annuncia-tion, we trust, will be a sufficient answer.

The Chrowiche will be published tri-weekly,

The Chrovicle will be published tri-weekly, during the session of Congress, and semi-weekly during the recess, at 85 per annum, if paid it the end of the year or 85 if paid in advance.—
Subscribers to the Relatmer, who have paid in advance for that paper, will receive the Chronicle during the period for which they have been subscribed without further charge.

As to the congred minimize of the new paper.

As to the general principles of the new paper, and the course it proposes to pursue, the public is referred to the address of the editor, which

will appear in the first number.
